DOING BUSINESS IN ASIA ALLIANCE

SUBJECT:

Doing Business in Asia Alliance Annual Meeting 2018

Doing Business in Asia Alliance (DBiAA) is pleased to invite you to our first Annual Meeting in Manila, on 11 to 13 July 2018.

DBiAA is an alliance of local Asian-based consultants that specializes in providing tailored access to Asian countries and facilitating cross border projects. The upcoming Annual Meeting is the first international business development project which features speakers and panelists from all over Asia - Pacific, including Mongolia, Philippines, Singapore, Myanmar and Cambodia.

The target audience for the event is Asian SMEs, start-ups and entrepreneurs interested in expanding their businesses across Asia – Pacific. Through our event, participants will learn the latest trends and topics shaping Asian business scenarios and have access to bespoke business and investor matching opportunities.

HIGHLIGHTS

DBiAA Annual Meeting is a “one-stop event” for aspiring micro, small, and medium sized enterprises (MSM-SEs) looking to enter or expand their operations across Asia, with a focus on Southeast Asian markets.

The event provides an insightful and strategic discussion and knowledge-sharing platform, fun and effective networking and partner-matching opportunities, as well as previews of boutique business and professional services that will give your business expansion power.

Experience the best of the Philippines through local partying and cultural & sightseeing activities.

Learn how to grow your business strategically and sustainably in Asia, particularly in Southeast Asia, from our international panelists, all business owners and consultants themselves, such as:

LUIS ARCANGEL
Chairman
Montgomery Fitch + Associates,
